Monopoly

By Nick Day

Everything went to the back of my mind when I opened the door

And I left the hot iron on the ironing board

And I thought it would be nice of you to help me along

I was stuck in a rut and my patience was gone

I lost track of time there was steam all around

So I opened up the windows just to cool it down

No itâ€™s really hard to focus with your head in the clouds

Why couldnâ€™t it last all day

Left me alone on the floor

With my head in my hands and my eyes on the door

Itâ€™s a monopoly your such a novelty

You know wherever you go everyone wants to know

Now youâ€™ve got the cards you can do whatever you want

Oh oh oh

Youâ€™re such a mystery but thatâ€™s alright with me

â€™cause Iâ€™ve discovered you like an undiscovered country

Now and I will buy you a really nice house downtown

If you would be just for me

Everything went to the back of my mind when you said hello

And I thought it would be fine to leave the food on the stove

But you came and kept me busy for an hour or so

I had nothing to do and nowhere to go

We lost track of time there was smoke all around

So I opened up the windows before the house burned down

Then you said it was late and I asked you to stay

but you smiled, turned around, walked away

Left me alone once again

No I know youâ€™ll be back but I wanna know when

Itâ€™s a monopoly your such a novelty

You know wherever you go everyone wants to know

Now youâ€™ve got the cards you can do whatever you want

Oh oh oh

Youâ€™re such a mystery but thatâ€™s alright with me  
â€™cause Iâ€™ve discovered you like an undiscovered country  
Now and I will buy you a really nice house downtown

If you would be  
my monopoly with me  
And I go crazy

Believe it or not

Youâ€™re like a one stop shop get whatever you want  
I know and itâ€™s the only place I want to go

Itâ€™s a monopoly your such a novelty  
You know wherever you go everyone wants to know  
Now youâ€™ve got the cards you can do whatever you want

Oh oh oh

Youâ€™re such a mystery but thatâ€™s alright with me  
â€™cause Iâ€™ve discovered you like an undiscovered country  
Now and I will buy you a really nice house downtown

If you would be just for me

If you would be baby just for me no  
If you would be my monopoly with me  
And I go crazy  
Oh
