

# Fallen Awake

[Kari Kimmel](#)

Not another lonely night  
Not another restless time  
What happened to the days when we used to care  
It used to hurt, I used to break  
The silence almost made me crazy  
It didn't matter then, why should it matter now

How long can we try, can we keep holding on  
We're too scared to give up but we've been here so long  
Are we fooling ourselves  
Have we fallen awake  
Is it too late

I can't remember why we're here  
I can't remember when you last touched me  
I hate the way this feels, but I don't know how to change

Chorus

Cause I don't wanna go  
But I don't wanna live like this hopping someday you'll wake up  
Something's gotta change  
Someone's gotta give  
Cause I can't keep waiting here wondering what we're missing  
I just wanna know

---
