

Ishin Denshin (You've Got To Help Yourself)

Keane

See how the world goes round
You've got to help yourself
See how the world goes round
And you'll help someone else
See how the world goes round
You've got to help yourself
See how the world goes round
And you'll help someone else
pika no kutsu o nuide
tabako o keshite
daiji na yubiwa o hazushitara
nanatsu no botan o hazushi
umareta mama ni
ikiteru jibun o
aishite miyou
See how the world goes round
You've got to help yourself
See how the world goes round
And you'll help someone else
jiman no bag o oite
rouge o totte
namida no shinju o fuitemite
jyouzu na kesho o otoshi
kokoro no oku o
kagami no naka ni
utsushite miyou
See how the world goes round
You've got to help yourself
See how the world goes round
And you'll help someone else
jyouzu na kesho o otoshi
umareta mama ni
ikiteiru jibun o
aishite miyou
See how the world goes round
You've got to help yourself
See how the world goes round
And you'll help someone else
See how the world goes round
You've got to help yourself
See how the world goes round
That you will help me
See how the world goes round
You've got to help yourself
See how the world goes round
And you'll help someone else
See how the world goes round
You've got to help yourself
See how the world goes round

And you'll help someone else
