

# Dark Paradise (radio Mix)

## Lana Del Rey

All my friends tell me I should move on  
I'm lying in the ocean, singing your song  
Ah, that's how you sing it  
Loving you forever can't be wrong  
Even though you're not here, won't move on  
Ah, that's how we play it

And there's no remedy for memory  
Your face is like a melody  
It won't leave my head  
Your soul is hunting me and telling me  
That everything is fine  
But I wish I was dead

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

All my friends ask me why I stay strong  
Tell 'em when you find true love it lives on  
Ah, that's why I stay here

And there's no remedy for memory  
Your face is like a melody  
It won't leave my head  
Your soul is hunting me and telling me  
That everything is fine  
But I wish I was dead

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
But that there's no you, except in my dreams tonight

Oh oh oh oh, ha ha ha ha  
I don't wanna wake up from this tonight  
Oh oh oh oh, ha ha ha ha  
I don't wanna wake up from this tonight

There's no relief, I see you in my sleep  
And everybody's rushing me  
But I can feel you touching me  
There's no release, I feel you in my dreams  
Telling me I'm fine

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
I'm scared that you won't be waiting on the other side

Everytime I close my eyes  
It's like a dark paradise  
No one compares to you  
But that there's no you, except in my dreams tonight

Oh oh oh oh, ha ha ha ha  
I don't wanna wake up from this tonight  
Oh oh oh oh, ha ha ha ha  
I don't wanna wake up from this tonight
