The Death of Me

Scars Like Mine

Sheâ€™ll be the death of me.
Sheâ€™ll be the death of me.

When she comes around,
sheâ€™s drunk and stoned, sheâ€™s down
and I donâ€™t wanna be here anymore.
I need to get away, I need to stay away.
Sheâ€™s up, sheâ€™s down, high on everything in town,
And I donâ€™t wanna see her anymore.
Sheâ€™s a deceiver, donâ€™t believe her.

Wooooooah, let go.
Wooooooah, let go.

I never want, to end it this way.
Itâ€™s all over, sheâ€™s drunk and Iâ€™m sober.
Sheâ€™ll be the death of me.

The late night fights, always up til dawn,
never knowing when sheâ€™ll leave.
Try to please her, still canâ€™t leave her,
now I wear it on my sleeve.
Sheâ€™s up, sheâ€™s down, high on everything in town.
I donâ€™t wanna see her anymore.
Sheâ€™s a deceiver, donâ€™t believe her.

I never want to end it this way
Itâ€™s all over, sheâ€™s drunk and Iâ€™m sober
Sheâ€™ll be the death of me.
Fall, donâ€™t fall, (let go) donâ€™t fall into her trap.
Donâ€™t believe her lies, youâ€™ve been hypnotized
Canâ€™t you see, sheâ€™ll be the death of me?

Fall, donâ€™t fall, (let go) donâ€™t fall into her trap.
Donâ€™t believe her lies, youâ€™ve been hypnotized
Canâ€™t you see, sheâ€™ll be the death of me?

I never want to end it this way
Itâ€™s all over, sheâ€™s drunk and Iâ€™m sober
Sheâ€™ll be the death of me.

Fall, donâ€™t fall, (let go) donâ€™t fall into her trap.
Donâ€™t believe her lies, youâ€™ve been hypnotized
Canâ€™t you see, sheâ€™ll be the death of me?
