Mm, Mm, Mm

Patti Labelle

You're driving me crazy, it's something I can't explain
Whatever you're doing to me why don't you do it again?
I've never been so in love must've been sent from above
To fill my empty nights make everything alright
Your love is too good for words
Mm, mm, mm
Mm, mm, mm
Mm, mm, mm
Your love is everything
If I could imagine the perfect man it would be you
You bring out the woman in me with everything that you do
I've never been so alive where have you been all my life
I love the way it feels to have a man that's real I'm so happy inside
Mm, mm, mm
Mm, mm, mm
Mm, mm, mm
Your love is everything
Anything you want from me I will give you what you need
Just say the word and it's done
I know you're the one your kiss is like a drug to me
Love the way you're touching me I'm addicted to you
And that thing that you do
Mm, mm, mm
Mm, mm, mm
Mm, mm, mm
Your love is everything
