

Infra Galaxia (Alternative Mix)

[Samael](#)

Instant of grace reaching the soul of a million faces
toward the sun there's no way through
Extra light delta
rolling and sailing
flying or walking
the move is fixed at the furthest point
to ride longer than time...rolling and sailing
flying or walking
the move is fixed at the furthest point
juxtaposition of mind pattern
extrapolation of hollow void
...creation
Infra galaxia
Extra light delta
