Silverflame

Dizzy Mizz Lizzy

(Track 7 on "Dizzy Mizz Lizzy")Sorrow hides under the water
sorrow is my only friend
sorrow stands beside the doorway
and sorrow needs a helping handGirl in a glass box dressed in white
happy enough to commit suicide
she said that silver's meant to burn foreverSleeping forever in a bubble of blue
would you like to see her point of view?
she said that silver's meant to burn forever
- foreverSay my name silverflame take control
of my heart of my mind and of my soul
what a shame silverflame that you can't burn foreverAnd in the garden is a cheap hotel
only invited if your thing went well
she said that silver's meant to burn foreverSleeping forever in a bubble of blue
would you like to see her point of view?
she said that silver's meant to burn forever
- foreverSay my name silverflame take control
of my heart of my mind and of my soul
what a shame silverflame that you can't burn foreverLyrics by Tim Christensen
