

# Fields of gold

## Zlips

You'll remember me when the west wind moves  
    Upon the fields of barley  
You'll forget the sun in his jealous sky  
    As we walk in fields of gold  
    So she took her love  
    For to gaze awhile  
    Upon the fields of barley  
In his arms she fell as her hair came down  
    Among the fields of gold  
Will you stay with me, will you be my love  
    Among the fields of barley  
We'll forget the sun in his jealous sky  
    As we lie in fields of gold  
    Oh, we lie in fields of gold

I never made promises lightly  
And there have been some that I've broken  
    But I swear in the days still left  
    We will walk in fields of gold  
    We'll walk in fields of gold  
    (Walk in fields of gold 4x)  
Many years have passed since those summer days  
    Among the fields of barley  
See the children run as the sun goes down  
    Among the fields of gold  
    Among the fields of gold  
When we walked in fields of gold  
When we walked in fields of gold  
Oh, we walked in fields of gold...
