

Gita (Anstam's Dustified Dance Edit)

Moderat

While we're staying
When I run out on you I saw you falling
And burst like porcelain
Fragile and precious
Nothing broke a shard
We blew it all
We blew it all
We blew it all While we're staying
When I run out on you I saw you falling
And burst like porcelain
Fragile and precious
Nothing broke a shard
We blew it all
We blew it all
We blew it all
