Used to think you're good. Your own pants were on top.
Don't ever let er tell ya she aint never been a slut.
Boy aint hear the words you'll never say. Owwwwwww
Now I'm thinkin my sex leave em with their mouth sticken.
Sound driven. Maken women cum.
Singin to their pussy through my tounge. Be like ooh ooh don't stop.

You gotta hit it so good while it still feels good.
Boy ya never hear a word that they say.
Up, Down, all around. Fleas and pain pussy town.
Anybody wanna fuck them all. Anybody wanna fuck them all.
Ahhhhhhhaooooooo aint no pussy special.
Don't lie down with dogs..... You'll just get fleas again.
Don't lie down with dogs roof roof roof roof roof roof
You'll just get fleas again.
