

# Father Dear

## Camp Chayolei Hamelech

Father dear, I know that you care  
My personal thoughts with you I will share  
    My inner feelings told to no one  
    Direct from the heart of your only son

    Many think our connection is torn  
For I have not seen you since I was born  
    I want you to know, by me it's not so  
    Every day, my love for you grows

At your holy picture I constantly stare  
    Stories about you, with many I share  
For I am your son, no words can explain  
    The ahavah atzmis of av and ben

Tatteh, I cry from the depths of my heart  
    I truly love you, from you I can't part  
    To give you nachas is what I yearn  
    To see you, by me it does burn

Oy vey, Rebbe my father, my love to you so  
    We are one body, we are one soul  
    I just cannot wait for you to appear  
    And together we forever will be near

Rebbe, I live to know that you're proud  
    Od Avinu Chai, I say it out loud  
    Your hisgalus is coming, soon all will see  
    Father and son in the mikdash hashlishi
