

# Disco Lies (The Dusty Kid's Fears Remix)

Moby

You said you want me that was just a lie  
You said you love me that was just a lie  
All i needed was someone who could keep me warm at night  
You tried it baby but didn't work and now i know that this is gonna be  
the end  
How could you lie You said you need me that was just a lie  
You said the truth once that was just a lie  
All i needed was someone who could keep me warm at night  
You tried it baby but didn't work and now i know that this is gonna be  
the end  
How could you lie All i needed was someone who could keep me warm at night  
You tried it baby but didn't work and now i know that this is gonna be  
the end  
How could you lie
