Everything Is Beautiful (feat. Daniel O'Donnell)

Daniel O'Donnell

Red and yellow, black and white, they are precious in his sight
Jesus loves the little children of the world.Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's day
And everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way.There is none so blind as he who will not see
We must not close our minds, we must let our thought be free
For every hour that passes by, you know the world gets a little bit older
It's time to realize that beauty lies in the eyes of the beholder.Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's day
Ah, sing it children
(Everybody's beautiful in their own way)
Under God's heaven, the world's gonna find a way.We shouldn't care about the length of his hair or the color of his skin
Don't worry about what shows from without but the love that lives within
We're gonna get it all together now and everything gonna work out fine
Just take a little time to look on the good side my friend
And straighten it out in your mind.Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's day
Everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way.Everything is beautiful in its' own way
Like a starry summer night or a snow covered winter's day
Everybody's beautiful in their own way
Under God's heaven, the world's gonna find a way.Under God's heaven, the world's gonna find a way.
