

# Get Ready

## Sublime

AlrightSome folks say that smokin' herb is a crime  
If they catch you smokin' they're bound to drop the dime  
Insufferable informa crazy fools  
Wait with their fingers crossed for you to break the rulesAnd in the evening we try to jam  
We like the music loud in this here band  
We let the bass line drop as loud as we can stand  
Somebody always gotta turn informa for the manI wanna know, know right now  
Is there one of you in the crowd?  
Are you gonna call 911?  
And spoil all of my fun, you crazy foolI'm in the mood, get ready  
I'm in the mood, come on now, yea  
I'm in the mood, are you ready?  
I'm in the mood, come on now, yea, come onLoad up the bong, crank up the song  
Let the informa call 911  
Load up the bong, crank up the song  
Let the informa call 911And when security police force want to arrive  
Don't try to run, don't try to hide  
Just pull out the 9 pop in the clip  
And let one slip into these crazy foolsI'm in the mood, get ready  
I'm in the mood, come on now, yea  
I'm in the mood, are you ready?  
I'm in the mood, come on now, yeaAnd in the evening when we try to jam  
We like the music loud in this here band  
I wanna know now, I wanna know, know right now  
Are you willin', are you willin' ill evil?  
That they're crazy foolsSome folks say that smokin' herb is a crime  
If they catch you smokin' they're bound to drop the dime  
Insufferable informa crazy fools  
Wait with their fingers crossed for you to break the rulesBut I'm in the mood, get ready  
I'm in the mood, come on now, yea  
I'm in the mood, are you ready?  
I'm in the mood, come on now, yea  
I'm in the mood, get ready  
I'm in the mood, come on now
