Gimp

Two

Do they stare
Point their fingers, call you ugly names?
Scared to death
For good reasons, isn't it a shame?Tell the truth
Is it painful on a rainy day?
Tell a lie
In your prayers make them go awayDon't ya mind?
(He don't mind what you do or say)
Don't ya mind?
(He don't care 'cause he's stupid any way)Don't ya mind?
(He don't mind what you do or say)
Don't ya mind?
(He don't care 'cause he's stupid any way)So, tell me gimp
Are they knockin', always wondering?
Draw the line, make a circle
Dare them to come in?Don't ya mind?
(He don't mind what you do or say)
Don't ya mind?
(He don't care 'cause he's stupid any way)Don't ya mind?
(He don't mind what you do or say)
Don't ya mind?
(He don't care 'cause he's stupid any way)
