Learn Ya

6LACK

[Intro]
Umm-umm-ummm[Verse 1]
You still got a lot to learn
I ain't saying I'm the best
I'm saying that I got a lot to work with
You fuck talk and we capped enough
I ain't tryna make it look like I just wanna fuck
I'm just tryna show this ain't no temporary love[Pre-Hook]
I think you need to let me learn you something
How you gon' get better with a nigga who don't even measure up?
Shame-shame-shame, you've been fucking regular
I think you need to let me learn you something
Know I need to tell ya not to sneak
I let my hands speak
And learn a couple things about me[Hook]
Girl when you go
Don't try to act like your last one hit it the same way
Girl when you go
Don't try to act like your last one did ya the same way
Your last one did ya the same way
Your last one hit it the same way[Verse 2]
Girl we still got a lot to do
If you need a quick fix for your day I be on the way
Got a couple things that I gots to prove
You lack and it hurts to know
I tell ya cause I'm really tryna help ya but you take it personal
I think I really need to learn you something
Here, I met you in a past life
I know everything oh you that type
Bad-bad girl, won't you act right[Pre-Hook]
I think I need to learn you something
Know I need to tell ya not to sneak
I let my hands speak
Just learn a couple things about me[Hook]
Girl when you go
Don't try to act like your last one hit it the same way
Girl when you go
Don't try to act like your last one did ya the same way
Your last one did ya the same way

Your last one hit it the same way, girl[Bridge]
Yeah-yeah, oh-ohhh
