Retrograde

James Blake

You're on your own, in a world you've grown
Few more years to go,
Don't let the hurdle fall
So be the girl you loved,
Be the girl you lovedI'll wait, so show me why you're strong
Ignore everybody else,
We're alone now
I'll wait, so show me why you're strong
Ignore everybody else,
We're alone nowSuddenly I'm hip
Is this darkness of the dawn
And your friends are gone
When you friends won't come
So show me where you fit
So show me where you fitI'll wait, so show me why you're strong
Ignore everybody else,
We're alone now
We're alone now
We're alone now
I'll waitSuddenly I'm hip
Is this darkness of the dawn
And your friends are gone
When you friends won't come
So show me where you fit
So show me where you fit
