

You Don't Know Me

[Jann Arden](#)

You give your hand to me and then you say hello
And I can hardly speak my heart is beating so
And anyone can tell you think you know me well
But you don't know me No you don't know the one, who dreams of you at night
And longs to kiss your lips, longs to hold you tight
Oh, I am just a friend, that's all I've ever been
'Cause you don't know me I never knew the art of making love
No my heart aches with love for you
Afraid and shy I let my chance go by
The chance that you might love me too You give your hand to me and then you say goodbye
I watch you walk away beside the lucky guy
Oh, you will never know, the one who loves you so
Well you don't know me You give your hand to me, then you say goodbye
I watch you walk away beside the lucky guy
Oh, you will never know, the one who loves you so
'Cause you don't know me Oh, no you don't know me
Ooh, you don't know me
