

# Stay Here Tonight

## Enrique Iglesias

I know its late and you're tired and we've been talking for hours here  
You don't have to tell me  
I see that look in your eyes and I know soon we'll say A goodbye, so, yeah  
I feel it coming And I hear you take a deep breath  
And my hands are starting to sweat  
I don't want you to  
I don't want you to leave, yeah Stay here tonight  
Stay here tonight  
Cause when you're around me everythings right  
Don't go, oh, don't leave me alone Stay here tonight  
Stay here tonight  
I wanna hold you in my arms, show you what thats like  
Don't go, I need you, I need you You grab your coat and I'm dying  
But I know that your still deciding, yeah  
Cause nobody's moving  
Time stops and everythings quiet, I'm hanging on for my life in you  
You don't even see it And then you coming closer  
And baby its not over  
Till I hear you say  
Till I hear you say, goodnight, oh, yeah Stay here tonight  
Stay here tonight  
Cause when your around me everythings right  
Don't go, oh, don't leave me alone Stay here tonight  
Stay here tonight  
I wanna hold you in my arms, show you whats thats like  
Don't go, I need you, I need you Theres something about you saves me  
Something about you makes me feel like I'm alive Stay here tonight  
Stay here tonight  
Cause when you around me everythings right  
Don't go, don't leave me alone Stay here tonight  
Stay here tonight  
Cause when you around me everythings right  
Don't go, oh, don't leave me alone Stay here tonight  
Stay here tonight  
I wanna hold you in my arms, show you what thats like  
Don't go, I need you, I need you Stay with me tonight I need you  
Stay with me tonight I need you  
Stay
