Fade

KimBlee

Look at me, Stare inside
Take my place, In my mind
Capture me, Follow through
Validate, Wanting youBaby this seems so wrong.
Baby this seems so right.Hour after hour, so long,
day after day, so long,
year after year after year.
And now we're here...Never fade from my mind.
Shower me and give me life.
Never fade from my mind.
Always there when I close my eyes.Hesitate. Pull me in.
Breath on breath. Skin on skin.
Lovin' deep. Fallin fast.
All right here. Let this last.Baby it's been so long.
And it could be tonight.Hour after hour, so long,
day after day, so long,
year after year after year.
And now we're here...Never fade from my mind.
Shower me and give me life.
Never fade from my mind.
Always there when I close my eyes.((give me life))
((give me life))
And now we're here...Never fade from my mind.
Shower me and give me life
(give me love & give me life)
Never fade from my mind.
Always there when I close my eyes.
