

Breathe (Let It Go)

Nivea

N I V E A A A A

N I V E A A A A

N I V E A A A A

A A A A A A A Ever since you went away

Been missing you everyday

What I'd do just to see your face

Should have held you and made you stay Now I really need somebody

Just to call somebody

But I know I can't go back in time

And just make things change Been waitin' for your call but ain't heard a word

Wish I could go back to the way things were

But you don't even know how much I miss you, baby You can take this as a lesson learned

Kinda like Usher, gotta let that shit burn

Breathe in, breathe out I gotta let it go

Even though I can't live without you

Don't wanna lose control

Even though I'm missin' everything about you And I'm trynna keep my composure

But on the inside it's really killing me

All I could do is just

Breathe in, breathe out I gotta let it go

Even though I can't live without you

Don't wanna lose control

Even though I'm missin' everything about you And I'm trynna keep my composure

But on the inside it's really killing me

All I could do is just

Breathe in Listen up girls, I'ma let y'all know

If you got a good man never let him go

If you really love him better let him know

Never wait 'til he 'bout to walk out the door 'Cause once he leaves

It ain't no runnin' back to you

With the pride of a man

He ain't comin' back to you You can wait on your call but you won't get a word

But you want it to go back to the way things were

Even Kodak couldn't fix this picture You can take this as a lesson learned

Kinda like Usher, gotta let that shit burn

Breathe in, breathe out I gotta let it go

Even though I can't live without you

Don't wanna lose control

Even though I'm missin' everything about you And I'm trynna keep my composure

But on the inside it's really killing me
All I could do is just
Breathe in, breathe out I gotta let it go
Even though I can't live without you
Don't wanna lose control
Even though I'm missin' everything about you And I'm trynna keep my composure
But on the inside it's really killing me
All I can do is just
Breathe in, breathe out You and me used to be happy
Can't believe that you'd leave
Won't you come back to me?
Now you're gone, I'm alone at home
Wishin' you weren't gone
I'm so sorry, baby You and me used to be happy
Can't believe that you'd leave
Won't you come back to me?
You and me use to be happy
Come back to me N I V E A A A A
N I V E A A A A
N I V E A A A A
N I V E A I gotta let it go
Even though I can't live without you
Don't wanna lose control
Even though I'm missin' everything about you And I'm trynna keep my composure
But on the inside it's really killing me
All I could do is just
Breathe in, breathe out I gotta let it go
Even though I can't live without you
Don't wanna lose control
Even though I'm missin' everything about you And I'm trynna keep my composure
But on the inside it's really killing me
All I could do is just
Let you leave N I V E A A A A
