Indestructible

Rancid

And I know, I'm indestructible
And I know, I'm indestructible
Tonight!
Break down! Come on tell me its not true
It's a shakedown! Come on tell me who are you
It's so fake now, everything I see right through
I'm ashamed now, to say I ever know you
See, the Great Athenians, man, their not even from Athens
And the kid from Avenue "A", man, he ain't even from Manhattan
And nothing is what it seems so I'll just stand here laughing
I'm gonna keep on going though, I can't get distracted
And I know, I'm indestructible

And I know, I'm indestructible
Tonight!
Playback Rock and Roll come and save me
It's a safe bet that you will never ever betray me
And I'll give back everything that you gave me
And I know that no one can ever ever contain me
And I won't get bogged down like some American consumer, nah
And I'm dancing now to a whole different drummer
And I'll keep listening to the great Joe Strummer
cause through music, we can live forever
And I know, I'm indestructible
And I know, I'm indestructible
Tonight!
