Change the World

P.O.D.

Imagine a place only your soul can vision
The heart of a child who looks, sees and listens
She paints a picture using every color
And what she sees, she sees is like no otherOne word, a voice unheard
You can change the world
With everything I know you're made of
One word, a voice unheard
You can change the world
If everyone would stop and listenThe arts of innocence makes so much sense
But placed in the wrong hands, well then it's wasted
Filtered through the eyes of a pure mind
A one-of-a-kind paradise for you and I, you and IOne word, a voice unheard
You can change the world
With everything I know you're made of
One word, a voice unheard
You can change the world
If everyone would stop and listenBreak the cycle, find your rhythm
Share the gift that you've been given
You can, you can change the world
You can change the worldOne word, a voice unheard
You can change the world
With everything I know you're made of
One word, a voice unheard
You can change the world
If everyone would stop and listenOne word, a voice unheard
You can change the world
With everything I know you're made of
One word, a voice unheard
You can change the world
If everyone would stop and listen
