

# Riverboat

Robert Palmer

Time dies tryin' to fly by  
Got a grain of love in my eye  
And if I [Incomprehensible]  
Tryin' to beat each other if they can But that riverboat keeps on chuggin'  
While we keepin' right on kissin' and huggin'  
We got love, we got love Big wheels just they keep on turnin'  
And the fires just they keep on burnin'  
Love keeps on growin'  
Yeah, river just they keep on flowin' Time dies tryin' to fly by  
Got a grain of love in my eye  
Opportunity knockin'  
And big boat keep on rockin' That riverboat keep on chuggin', chuggin'  
We need to be keep on kissin' and huggin'  
We got love, we got love, yes we do Darling, as we can boat just they keep on chuggin'  
We just keeping right on kissin' and huggin'  
We got love, girl, yes we do, we got love Don't you know that riverboat, it keeps on chuggin'  
We just need to keep on kissin' and huggin'  
We got love
