

# I Tamper With the Evidence at the Murder Site of O

## Dethklok

You Investigate The Murders  
At The Gates Of Gods I Temper With The Evidence  
At Odin's Murder Site I Can Swim Through Time  
I Can't Be Killed  
I Have No Way To Die You Will Hunt Through Life  
The Physics Of This World  
Can't Stop My Crime Draw Your Sword  
I'll Meet You At The Battle Rock Space Will See you Through  
I Can't Be Killed  
I Have No Way To Die Spheres Within This Range  
Will Be My Path My Energy Ignites Parasite  
Ultra-Violent Porthole  
Fasten Straps  
Helmit Frigid Wormhole DETH In You  
Deja Vu  
Mammoth View  
Time Will Twist Your Soul You Spin  
Your Blood Goes Thin  
You Marrow Burns  
Your Veins Begin To Burst The Seed It Hurts And Hurts  
And Strains Your Brain  
As You Spin Forth Through Time You Meet Yourself For One Brief Moment  
In An Eclipse And Watch You Die Your Guts Explode As You Erode  
You Broke The Code The Riddles Solved  
You Made The Trip  
You Have Evolved  
You're The Eclipse  
You Are A God
