

# Shipwreck Shuffle

## The Never Land Pirate Band

When Hook sets sail, the wind will fail.

His schemes they go, right out to sea like a leaky boat.

Hey captain Hook, won't you learn your lesson please.

Hey captain Hook, your plan's as fishy as an anchovie.Hoist up the Jolly Roger, Pipe up the crew on deck.

Our captain's at the helm now lads,

And our ship, it be bound to wreck.Ding-Dong Dingety-Dang-Dang, Ding-Dang Dingety-DongHoist up the  
Jolly Roger, Pipe up the crew on deck.

Our captain's at the helm now lads,

And our ship, it be bound to wreck.Ding-Dong Dingety-Dang-Dang, Ding-Dang Dingety-Dong
