

Lazybone

SHONEN KNIFE

I don't wanna get up early in the morning
I wanna sleep all day
I don't wanna ride a crowded subway
I wanna go by carYou don't need to be serious
You don't need to be a walrus
You don't need to be nervous
You don't need to be an eggman
Uh uh uhI don't wanna work a boring job
I wanna play all day
I don't wanna flatter silly people
I wanna kick them outYou don't need to be serious
You don't need to be a walrus
You don't need to be nervous
You don't need to be an eggman
Uh uh uhI don't wanna get up early in the morning
I wanna sleep all day
I don't wanna ride a crowded subway
I wanna go by carYou don't need to be serious
You don't need to be a walrus
You don't need to be nervous
You don't need to be an eggman
Uh uh uh
Uh uh uh, uh uh
