Tamara Song (Alternate Mix)

Sarah Fimm

My sapphire stone
You lie above
I'm wandering in sunlight, Love
We're fireflies, we're not aloneIf we should come to rest
In the palm of heaven's hand
Then may we know the sand we lie upon
If we should come to rest
In the palm of heaven's hand
And out of many there
Return to oneYour fragile soul
Is tired enough
So move on slow
We never stop
Your crypt of light
Yet to be knownIf we should come to rest
In the palm of heaven's hand
Then may we know the sand we lie upon
If we should come to rest
In the palm of heaven's hand
And out of many there
Return to oneWhen all is hurt
Be fit to fall
As rain on EarthWhen all is hurt
Be fit to fall
As rain on Earth
Home will callWhen all is hurt
Be fit to fall
As rain on EarthWhen all is hurt
Be fit to fall
As rain on Earth
Home will callIf we should come to rest
In the palm of heaven's hand
Then may we know the sand we lie upon
If we should come to rest
In the palm of heaven's hand
And out of many there
Return to one
