rocks

mileu & quosp

Strokes of dark, a brush of light
I watch you bring your canvas into light
Oh, I know that's how you see the world
I know that you see anything you like
But now I'm doubting me
I know I shouldn't be
But I've been down, I've been down
'Cause it was love, wasn't it?
Well, it's killing me not having it
It's hard to not remember, forget it's not the same
When still you come and tell me
"Sorry, I came without an invitation
Just wanted to be loved", now you know
The last perfect thing
You know that you bring me back to life
On and on and on and on
I think about you all day long
I need you to be stronger
'Cause now I'm doubting me
I know I shouldn't be

But I've been down, I've been down
'Cause it was love, wasn't it?
Well, it's killing me not having it
It's hard to not remember, yeah, it's not the same
When still you come and tell me
"Baby, I came without an invitation
Just wanted to be loved"
Yeah, yeah, yeah, I hear the sound
And I know that you'll be coming 'round
You know, I'll wait for you
Oh, love, it's killing me not having it
I need you to be stronger
Don't wanna hear the sound
'Cause rocks upon my window
Mean that you're coming 'round
And how could I resist?
When I think you're still in love
How can I move on?

When I wanna be in love with you, oh, with you
