Snakes & Snakes

Bell X1

I need some crayon light
I need some coloring in
I need somebody
Who's going to give inI need my own moon landing
I need a mission to Mars
I need to carry out repairs
By the light of your starYou say you're missing my voice now
Yea, I'm missing it too
I'm missing my voice
When it's talking to youI'm hearing your voice now
And here I go again
Coming over like mist be coming rainAll this serves to tell me
Is maybe there's no ladders in this game at all
All this serves to tell me is maybe only snakes
Like the one in the garden that has to crawlAll this serves to tell me
Is maybe there's no ladders in this game at all
All this serves to tell me is maybe only snakes
Like the one in the garden fucked it allI need to smile like an angel
I need to smile like a fool
I need to smile like I'm pissing
In your swimming pool
