

Waiting for Superman

Daughtry

She's watching the taxi driver, he pulls away
She's been locked up inside her apartment a hundred days
She says, "Yeah, he's still coming, just a little bit late"
He got stuck at the laundromat washing his cape"
She's just watching the clouds roll by and they spell her name like Lois Lane
And she smiles, oh the way she smiles She's talking to angels, counting the stars
Making a wish on a passing car
She's dancing with strangers, falling apart
Waiting for Superman to pick her up
In his arms yeah, in his arms yeah
Waiting for Superman She's out on the corner trying to catch a glimpse
Nothing's making sense
She's been chasing an answer
A sign lost in the abyss, this Metropolis
She says "Yeah, he's still coming, just a little bit late"
He got stuck at the Five and Dime saving the day"
She says "If life was a movie, then it wouldn't end like this"
Left without a kiss
Still, she smiles, oh the way she smiles, yeah She's talking to angels, she's counting the stars
Making a wish on a passing car
She's dancing with strangers, she's falling apart
Waiting for Superman to pick her up
In his arms yeah, in his arms yeah
She's waiting for Superman To lift her up and take her anywhere
Show her love and climbing through the air
Save her now, before it's too late tonight
Oh like the speed of light
And she smiles She's talking to angels, she's counting the stars
Making a wish on a passing car
She's dancing with strangers, she's falling apart
Waiting for Superman to pick her up
In his arms yeah, oh in his arms yeah
She's waiting for Superman To lift her up and take her anywhere
Show her love and climbing through the air
Save her now before it's too late tonight
She's waiting for Superman
