

# You Always Make Me Smile (Remix)

Kyle Andrews

I like your messy hair  
I like the clothes you wear  
I like the way you sing  
And when you dance with me I don't know why I love you  
I just know I can't stop thinking of you  
Away  
It's 'cause you make me smile  
You always make me smile I like that rainbow pair  
Of gym shoes that you wear  
I like the chance you take  
I like the mess you make I don't know why I love you  
I just know I can't stop thinking of you  
Away  
It's 'cause you make me smile  
You always make me smile I like that rainbow pair  
Of gym shoes that you wear  
I like the way you sing  
And when you dance with me I like the face you make  
And when you dance with me  
I like the rules you break  
And when you dance with me  
I like the cake you bake  
And when you dance with me  
I like the chance you take  
So won't you dance with me I don't know why I love you  
I just know I can't stop thinking of you  
Away  
It's 'cause you make me smile  
You always make me smile
