

# Spring (Talla 2XLC Club Mix)

[RMB](#)

The spring is my love,  
There is a spring rustling in the trees,  
Fill my heart with delight, rebirth of all kind,  
Sceneries which fulfill my soul,  
It will tranquilly last forever in my mind  
The wind, the birds, the love, the air,  
the breeze, the dune, the spring in me  
The wind, the birds, the love, the air,  
the breeze, the dune, the love in me  
The spring is my love  
The wind, the birds, the love, the air,  
the breeze, the dune, the spring in me  
The wind, the birds, the love, the air,  
the breeze, the dune, the love in me
