Kissy Windmill Print

Braid

i am a windmillkissy wind apartment
swingers applaud the sails
2 am and dusty
brandy blocks of hail
i need this hardly heavy
wooden whirly bird
my fair pictures
are wind words
of air in motioni am a windmill
paint this pretty postcard
im in love with
2 am and dusty
im in love with
this hardly heavy
im in love with
oh beautiful framework
im in love with
air in motionmotion moves the motor
im moving again
im coming again
