

Nobody Knows Me At All

The Weepies

When I was a child,
Everybody smiled,
Nobody knows me at all.

Very late at night,
And in the mornin' light,
Nobody knows me at all.

I got lots of friends,
Yes, but then again,
Nobody knows me at all.

Kids and a wife,
It's a beautiful life,
Nobody knows me at all.

And ooohh, When the lights are low.
Oohuuooohh, With someone i don't know. Oooh.

I don't give a damn,
I'm happy as a clam,
Nobody knows me at all.

Ah, What can you do ?
There's nobody like you,
Nobody knows me at all.

(instruments)

I know how you feel,
No secrets to reveal,
Nobody knows me at all.

Very late at night,
And in the mornin' light,
Nobody knows me at all.

Nobody knows me,
Nobody knows me,
Nobody knows me at all.
