Jonz In My Bonz

D'angelo

Said, "I got a jonz in my bonz"
I said, "This feeling that I got won't leave me 'lone"
Said, "I got a jonz in my bonz"
I said, "This feelin' I got goes long and strong"
All my natural life I've been waiting
I've been holding on to everything that belongs to me
Fooled, misled by every single possibility
What I wouldn't do to be
Next to the things that where meant fo me, uh ooh
Said, "I got a jonz in my bonz"
I said, "This feeling that I got won't leave me 'lone"
Said, "I got a jonz in my bonz"
I said, "This feelin' I got goes long and strong"
On and on, on and on, on and on, on, on
Baby, shoo do doo da do
Said, "I got a jonz in my bonz"
I said, "This feeling that I got won't leave me 'lone"
Said, "I got a jonz in my bonz"
I said, "This feelin' I got goes long and strong"
