Sooner Or Later

BBMak

I dont understand you
Have you lost your mind?
Youve always been a friend of mine
But youre running out of time'Cos I see what she is thinking
Its like shes had enough
'Cos you never took the time to show her love
Even when you knew you shouldSooner or later youll learn
Sooner or later youll cry
Sooner or later youll learn
That you cant live a day without her in your lifeI can still remember chasing her around
But the minute that she gave her heart to you
You just threw it on the groundSooner or later youll learn
Sooner or later youll cry
Sooner or later youll learn
That you cant live a day without her in your lifeWhen the lights have all gone down
And the good times disappear
She may not be here when you need her
When you need herSooner or later youll learn
Sooner or later youll cry
Sooner or later youll learn
Sooner or later youll crySooner or later youll learn
Sooner or later youll cry
Sooner or later youll learn
That you cant live a day without her in your life
