

# Within You

**David Bowie**

How you turned my world, You precious thing  
You starve and near-exhaust me  
Everything I've done, I've done for you  
I move the stars for no one You've run so long  
You've run so far  
Your eyes can be so cruel  
Just as I can be so cruel  
Though I do believe in you Yes I do  
Live without the sunlight  
Love without your heartbeat  
I, I can't live within you  
I can't live within you I, I can't live within you
