

# Truth Is

## Fantasia

Ran into an old friend yesterday  
Caught me by surprise when he called my name  
He was a familiar face  
From a chapter in my past  
Talked for a while, asked him how he's been  
Said that he was seeing somebody  
And told me this was gonna last  
Showing me her photograph  
And all the feelings I thought were gone  
Came rushing back to me at once  
Tried to smile and hide the way I felt  
But I was thinking to myself  
Truth is, I never got over you  
Truth is, wish I was standing in her shoes  
Truth is, and when it's all said and done  
Guess I'm still in love with you  
Truth is, I never should have let you go  
Truth is, and it's killing me 'cause, now I know  
Truth is, when it's all said and done  
Guess I'm still in love with you  
We reminisce on the way things used to be  
Shared a couple laughs, and some memories  
Talked about the things that changed  
Some for good and some for bad  
Then he said, "Goodbye" and he paid for lunch  
Promised that we'd always keep in touch  
Grabbed my bags and grabbed my thoughts  
Walked away and that was that  
And all the feelings I thought were gone  
Came rushing back to me at once  
Tried to smile and hide the way I felt  
But I was thinking to myself  
Truth is, I never got over you  
Truth is, wish I was standing in her shoes  
Truth is, and when it's all said and done  
Guess I'm still in love with you  
Truth is, I never should have let you go  
Truth is, and it's killing me 'cause, now I know  
Truth is, when it's all said and done  
Guess I'm still in love with you  
Now the truth is, it hurts  
But I know that the fault's mine  
'Cause I let him go  
Tried to get over it  
But it's messing with my mind  
Because I know  
Truth is, I never got over you  
Truth is, wish I was standing in her shoes  
Truth is, and when it's all said and done  
Guess I'm still in love with you  
Truth is, I never should have let you go  
Truth is, but it's killing me 'cause now I know

Truth is, but when it's all said and done  
Guess I'm still in love with you Truth is, truth is  
Truth is, wish I was standing in her shoes  
Truth is, when it's all said and done  
Guess I'm still in love with you Truth is, I never should have let you go  
Truth is, killing me 'cause now I know  
Truth is, but when it's all said and done  
Guess I'm still in love with you I just gotta be honest, I guess  
I, I guess I'm still in love, in love
