

Thank Heaven for Little Girls (From "Gigi")

Maurice Chevalier

Each time I see a little girl,
of five, or six, or seven
I can't resist the joyous urge,
to smile and say
Thank Heaven for little girls,
For little girls,
get bigger everyday,
Thank Heaven for little girls,
they grow up,
in the most delightful way,
those little eyes so helpless and appealing,
one day will flash,
and send you through the ceiling,
Thank Heaven for little girls,
thank heaven for them all,
no matter where,
no matter who,
without them what would,
little boys do.
Thank Heaven,
Thank Heaven,
Thank Heaven,
for little girls

Instrumental those little eyes so helpless and appealing,
one day will flash,
and send you crashing through the ceiling,
Thank Heaven for little girls,
thanks heaven for them all,
no matter where,
no matter who,
without the what would
little boys do.
Thank heaven,
Thank heaven,
Thank heaven,
for little girls The End
