Flash In The Night

Secret Service

As a break of dawn came closer
All my hopes seemed so forlorn.
The misty signs of laughter
And the light eluded all.
My despair was caught in motionA face just barely true
Shadows in blue.A flash in the night...
In the changing of the season
Releasing one lost name.
The scar once healed forever
Dissolving in the rain.
A twig snapped in the clearingA glimpse of golden skin
My face within
My despair was caught in motion.
A face just barely true
Shadows in blue.
