

Talk (Francois K Remix)

Coldplay

Oh brother, I can't, I can't get through
I've been trying hard to reach you 'cause I don't know what to do
Oh brother, I can't believe it's true
I'm so scared about the future, and I wanna talk to you
Oh, I wanna talk to you You can take a picture of something you see
In the future where will I be?
You can climb a ladder up to the sun
Or a write a song nobody has sung
Or do something that's never been done Are you lost or incomplete?
Do you feel like a puzzle, you can't find your missing piece?
Tell me, how do you feel?
Well, I feel like they're talking in a language I don't speak
And they're talking it to me So you take a picture of something you see
In the future where will I be?
You can climb a ladder up to the sun
Or write a song nobody has sung
Or do something that's never been done
Or do something that's never been done
