Father

Funker Vogt

I see you - with a gun
in your eyes - insanity
in my dreams - I run
you follow me - I cannot stayI wonder what - has driven you
to hunt me - into the night
all these things - I don't believe
I don't dare - to go to bedoh father - what have you done
look at me - I am your son
what's the reason - for your hate
I can't love you - it is too lateI hear the shot - see the flash
there's just pain - in my leg
thousand bullets - hit my body
my clothes - get so bloodya fire burns - under my skin
all this pain - makes me numb
step by step - you get closer
in your eyes - insanityoh father - what have you done
look at me - I am your son
what's the reason - for your hate
I can't love you - it is too late
