Neuromancer

EMA

Age of destruction
Age of oblivion
Age of destruction
Age of oblivion
Discovered love,
In the rancid days of ruin
My body's sweatin' toxins,
Of my own demise
Only from space, can you see
How much earth is burning
Smokin' out the innocense inside
The child
It's the age of destruction
In a world of corruption
It's the age of destruction
And they hand us oblivion
Neuromancer and I'm trancing
I'm the neuromancer--and I'm trancing
Man wallows in his insatiable greed
More in the answer that sweats
From desparate palms
Turn on the lies, the secrets,
Of our desolation,
Or be smothered, by the red hot core
It's the age of destruction,
In a world of corruption
It's the age of destruction

And they hand us oblivion
The neuromancer and I'm trancing
I'm the neuromancer and I'm trancing
I'm the neuromancer--i'm trancing
Trancing
Trancing
And I'm trancing
Denied love in the age of ruin
Suicide toxins of my own demise
In cyberspace, you know how much
The earth ain't learning

Smoking out the man, inside the child--yeah
It's the age of destruction
In a world of corruption
It's the age of destruction
And they hand us oblivion
The neuromancer and I'm trancing
I'm the neuromancer and I'm trancing
Neuromancer--trancing
Neuromancer--trancing
Neuromancer--trancing
Neuromancer
Age of destruction
Age of the neuromancer
Age of destruction
Age of oblivion
Age of destruction
Age of the neuromancer
