I Am Waiting

Lindsey Buckingham

I am waiting, I am waiting, oh, yeah, oh, yeah
I am waiting, I am waiting, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
You can't hold out, you can't hold out, oh, yeah, oh, yeah
You can't hold out, you can't hold out, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
See it come along, don't know where it's from
Oh, yes, you will find out
Like a winter storm fear will pierce your bones
You'll find out
Slow or fast, slow or fast, oh, yeah, oh, yeah
Slow or fast, slow or fast, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
See it come along, don't know where it's from
Oh, yes, you will find out
Like a winter storm fear will pierce your bones
You'll find out
Oh, we're waiting, oh, we're waiting, oh, yeah, oh, yeah
Oh, we're waiting, oh, we're waiting, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere
Oh, we're waiting, oh, we're waiting, oh, we're waiting
Oh, we're waiting, oh, we're waiting, oh, we're waiting
Oh, we're waiting, oh, we're waiting, oh, we're waiting
Oh, we're waiting, oh, we're waiting
