Hold Your Fire

Firehouse

I'm like a loaded gun I got you in my sight
And you're the only one I want to shoot tonight
Ready and able the trigger to fire
Locked on target for my desire
Got you covered and there's nothing that you can do
But say[Chorus]
Hold your fire
Hold your fireI'm speeding like a bullet never miss my mark
With infrared eyes that can see in the dark
Actions semi-automatic
Satisfaction the instant I hit
I got you covered and there's
Nothing that you can do
But say[Chorus: x 2]
