

She's Everything

Brad Paisley

She's a yellow pair of running shoes
A holey pair of jeans
She looks great in cheap sunglasses
She looks great in anything
She's: "I want a piece of chocolate."
"Take me to a movie."
She's: "I can't find a thing to wear."
Now and then she's moody
She's a Saturn with a sunroof
With her brown hair a-blowing
She's a soft place to land
And a good feeling knowing
She's a warm conversation
That I wouldn't miss for nothing
She's a fighter when she's mad
And she's a lover when she's loving And she's everything I ever wanted
And everything I need
I talk about her
I go on and on, and on
'Cause she's everything to me She's a Saturday out on the town
And a church girl on Sunday
She's a cross around her neck
And a cuss word 'cause it's Monday
She's a bubble bath and candles
Baby, come and kiss me
She's a one glass of wine
And she's feeling kinda tipsy
She's the giver I wish I could be
And the stealer of the covers
She's a picture in my wallet
Of my unborn children's mother
She's the hand that I'm holding
When I'm on my knees and praying
She's the answer to my prayer
And she's the song that I'm playing And she's everything I ever wanted
And everything I need
I talk about her
I go on and on, and on
'Cause she's everything to me
