

M'fer (feat. Wiz Khalifa)

Chevy Woods

Everything on me, run and tell 'em that
Promoters booked a couple shows and I'mma get it back
And what I'm smokin' on is so strong
Them niggas trippin', tell 'em it's a wrap
Yea, I walk in stuntin' like a movie double
With all my jewelry on I'm lookin' like this how you hustle
50 in the pack, at night I swear I pray to God
Got off my knee, got dressin', now me and my niggas ball
Huh, and these fuck niggas, they hate that
I just roll it up, light it, take a puff
Blow it in their face and say take that!
Who the fuck you kiddin'? You actin' like a pussy
I'm the lobby elevator, bitch you goin' up if you push me I'm hella paid and I'm hella faded
I ain't savin' shit, I'm blowin' everything
I walk up in this motherfucker stuntin' (stuntin'.)
I walk up in this motherfucker stuntin' (stuntin'.)
Don't get money with the niggas cuz I don't trust 'em
Spent a hundred for the chain but that ain't nothin'
I walk up in this motherfucker stuntin' (stuntin'.)
I walk up in this motherfucker stuntin' (stuntin'.) I'm lookin' like a house and I ain't even with a watch
This is all from rappin', none of this come from the block
You know that money gettin' so long
Can't even front, you gotta bring it back
Whole clubbed packed and I don't want your baby moms
Proceed on the floor, she screamin' out that this her song
Yea, I pulled up yesterday in somethin' clean
In about tonight I'm pullin' up in somethin' mean
Yea, you know me and the gang, we do it back to back
We just a bunch of rich motherfuckers and that's a fact
I ain't tryna hear about it if it ain't 'bout bread
Ain't doin' what you niggas doin', what you doin' there
I'm hella paid and I'm hella faded
I ain't savin' shit, I'm blowin' everything
I walk up in this motherfucker stuntin' (stuntin'.)
I walk up in this motherfucker stuntin' (stuntin'.) Don't get money with the niggas cuz I don't trust 'em
Spent a hundred for the chain but that ain't nothin'
I walk up in this motherfucker stuntin' (stuntin'.)
I walk up in this motherfucker stuntin' (stuntin'.) And what I'm smokin' on is so strong
