Living Foul

Rotimi

Rotimi
Oh
Livin' FoulYou went from everything that I wanted
To the very thing I wanna live without
I gave you everything that you wanted, yeah
Kept it real with you and you shut me out
Don't understandBut ever since you moved away
Girl, you been trippin' on a nigga
Acting different on a nigga
Being distant with a nigga
And I find kind it of crazy how you switched up on a nigga
Tell me I ain't gotta worry, shit, but that ain't I what I heard
Because the word around town is you out here livin' foul
Livin' foul, yeah, out here livin'
I said the word around town is you out here livin' foul
What's the truth?
Asking you
Girl you need to tell me now
Because the word around town is you out here livin' foul
Livin' foul, yeah, out here livin'
I said the word around town is you out here livin' foul
What's the truth?
Tell me now
Is you out here livin' foul?
Baby, yeah
You used to call me your bae
Now you got nothing to say
And we used to talk everyday, but now you just text a nigga
Here and then
Just keep it 100 with me
Girl, is there some other man?
'Cause I just don't understandBut ever since you moved away
Girl, you been trippin' on a nigga
Acting different on a nigga
Being distant wit a nigga
And I find it kind of crazy how you switched up on a nigga
Tell me I ain't gotta worry, but that ain't I what I heardBecause the word around town is you out here livin' foul
Livin' foul, girl you're out here livin'
I said the word around town is you out here livin' foul

What's the truth?
Asking you
Girl you need to tell me now
Because the word around town is you out here livin' foul
Livin' foul, girl, out here livin'
I said the word around town is you out here livin' foul
What's the truth?
Tell me now
Is you out here livin' foul?Ever since you moved away, girl, you been trippin' on a nigga
Trippin', trippin' on a nigga
And I find it kind of crazy how you switched up on a nigga
Switched up, switched up on a niggaWord around town is you out here livin' foul
Livin' foul, girl you're out here livin'
I said the word around town is you out here livin' foul
What's the truth?
Asking you
Girl you need to tell me now
Because the word around town is you out here livin' foul
Livin' foul, girl you're out here livin'
I said the word around town is you out here livin' foul
What's the truth?
Tell me now
Is you out here livin' foul?Heard you been running around, making a name for yourself
A nigga was holding you down, you should be ashamed of yourself
But I ain't even mad, I ain't mad at all
Girl, 'cause
'Cause I thought that you was different, you just like these other bitches
Ain't shit
I was tryin' to show you something different
Give you just what you been missin'
But it's a shame, 'cause you was livin' foul
You was livin' foul
You was livin' foul
You was livin' foul
Baby, you was livin' foul
Livin' foul
